

IBM Cognos Analytics - Author Active Reports (v11.0) Information

Length: 1.0 Day
Ref: B6098G
Delivery method: Classroom
Price: EUR

Overview

This course provides participants with an understanding of Active Report content and functionality within IBM Cognos Analytics - Reporting. Through lecture, demonstrations, and exercises, participants increase their IBM Cognos Analytics experience by building highly interactive reports using Active Report controls, which can then be distributed to and consumed by users in a disconnected environment, including on mobile devices.

Public

Report authors wanting to develop interactive report content, or content disconnected from IBM Cognos servers.
